## NICHQ Vanderbilt Assessment Scale—TEACHER Informant Teacher's Name: Class Time: Class Name/Period: Today's Date: Child's Name: Grade Level: <u>Directions:</u> Each rating should be considered in the context of what is appropriate for the age of the child you are rating and should reflect that child's behavior since the beginning of the school year. Please indicate the number of weeks or months you have been able to evaluate the behaviors: Is this evaluation based on a time when the child ☐ was on medication ☐ was not on medication ☐ not sure? Symptoms Never Occasionally Often Very Often 1. Fails to give attention to details or makes careless mistakes in schoolwork 3 2. Has difficulty sustaining attention to tasks or activities 2 3 3. Does not seem to listen when spoken to directly 2 3 4. Does not follow through on instructions and fails to finish schoolwork 0 2 3 (not due to oppositional behavior or failure to understand) 5. Has difficulty organizing tasks and activities 3 6. Avoids, dislikes, or is reluctant to engage in tasks that require sustained 3 mental effort 7. Loses things necessary for tasks or activities (school assignments, 2 3 pencils, or books) 8. Is easily distracted by extraneous stimuli 2 9. Is forgetful in daily activities 0 10. Fidgets with hands or feet or squirms in seat 0 3 11. Leaves seat in classroom or in other situations in which remaining seated is expected 12. Runs about or climbs excessively in situations in which remaining 0 seated is expected 13. Has difficulty playing or engaging in leisure activities quietly 14. Is "on the go" or often acts as if "driven by a motor" 2

The recommendations in this publication do not indicate an exclusive course of treatment or serve as a standard of medical care. Variations, taking into account individual circumstances, may be appropriate.

31. Is afraid to try new things for fear of making mistakes

16. Blurts out answers before questions have been completed

18. Interrupts or intrudes on others (eg, butts into conversations/games)

25. Lies to obtain goods for favors or to avoid obligations (eg, "cons" others)

20. Actively defies or refuses to comply with adult's requests or rules
